WORK EXPERIENCE

Southeast Missouri State University, Information Technology

Information Technology Help Desk Technician

Cape Girardeau, MO

August 2025 – Present

- Serve as first point of contact for IT-related inquiries, troubleshooting issues with Windows, macOS, and mobile devices, including accounts, user access, and software/hardware support.
- Manage tickets in TeamDynamix, documenting, escalating, and tracking issues while collaborating with supervisors to ensure timely resolution.
- Provide support for Microsoft Office 365, Active Directory password resets, and network/wireless connectivity.
- Utilize ScreenConnect remote support to diagnose and resolve technical issues, delivering effective solutions with strong communication, customer service, and problem-solving skills.

Missouri CyberSecurity Center of Excellence, Pre-ApprenticeshipSpringfield, MO

Cybersecurity Intern

June 2025 – August 2025

- Conducted a city IT infrastructure assessment, deploying SentinelOne and ConnectWise RMM, updating policies, documenting assets, and performing ransomware threat analysis
- Participated in penetration testing exercises, CTF challenges, Hack the Box (HTB) labs, and SOC operations, including log monitoring, threat detection, and incident response
- Applied NIST, ISO 27001 frameworks, and Cloud Control Matrix (CCM) to evaluate and improve organizational cybersecurity practices
- Started a Google Cloud Security course, exploring AI and ML for cloud-based threat detection and automated security solutions, and visited data centers and IT facilities for hands-on enterprise exposure

Southeast Missouri State University, Office of Admissions

Senior Ambassador (Front Desk Customer Service)

Cape Girardeau, MO
